Portion of Eiwa Street to close for reconstruction work from June 14 to August 15

LĪHU'E – The Department of Public Works and Kiewit Infrastructure West Co. are announcing that a portion of Eiwa Street will be closed for reconstruction work from June 14 to August 15, weather permitting.

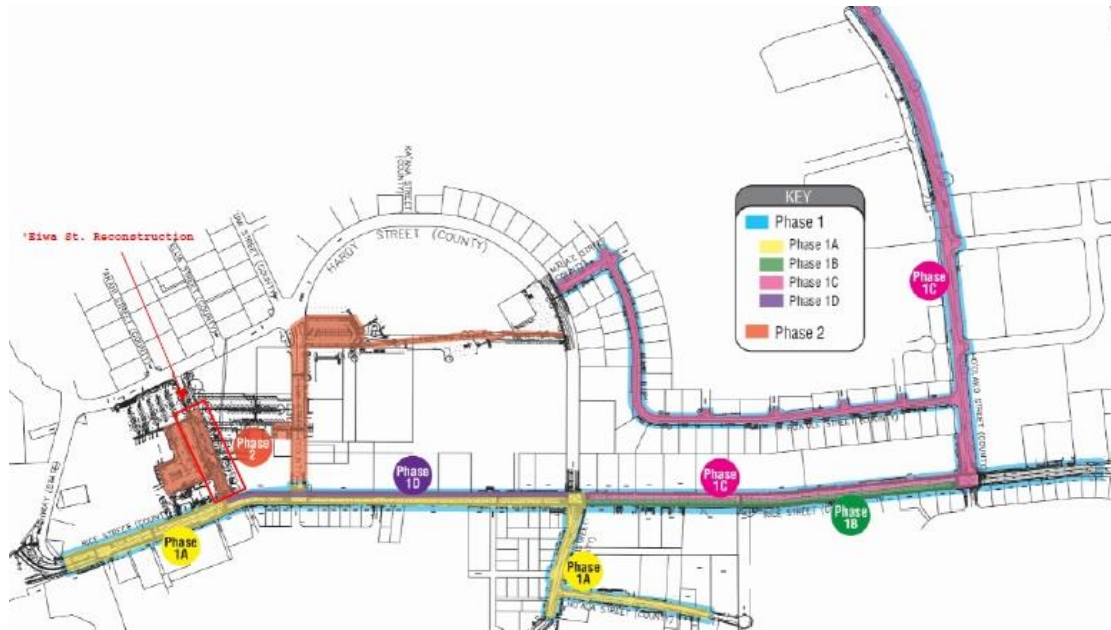

Part of Phase 2 of the Līhu'e Town Core Mobility and Revitalization project, the scope of reconstruction work for Eiwa Street consists of demolition and grading for sidewalks, parking, and driveway parking; installation of drainage structures and improvements; and roadway reconstruction.

A temporary traffic detour will be available utilizing Hardy and Umi streets to enter Rice Street.

Motorists are encouraged to allow for extra travel time when driving near the work areas, use alternate routes, and to observe and follow all construction traffic controls. Please exercise caution when commuting through the work areas.

If you have any questions or concerns, please contact Milissa Ceria at 808-840-3282 or visit www.revitalizeliuuetown.com. The project website will also include construction schedule updates.
